Lekki, Lagos State.

Dear Sir,

RE: TECHNICAL ASSESSMENT AND EQUIPMENT INSPECTION AT OEM HEADQUARTERS

We refer to your letter with reference letter FES1909-CL-EX-002 dated 30th September 2019 on the above subject.

Sequel to the satisfactory inspection and evaluation of the SmartPIMS system at the OEM (Sensor Networks, Inc) headquarters, the Department hereby conveys the approval for use of this system for corrosion/erosion monitoring of pipelines in Nigeria.

The conditions for the use of this system by the Department are stated below

1. It will serve as a corrosion monitoring system for pipelines.
2. Approval for the use of the system will be given on a case-by-case basis.

Please accept the highest regards of the Director of Petroleum Resources.

Yours faithfully,
